

The latest HM Government regulations and advice can be found at <https://www.gov.uk/coronavirus>.

It is HM Government Law to wear a facemask at all times unless seated.

The following document will explain the latest changes we have made, how to order and our recently updated opening times.

We have divided these aspects into the following categories:

1. **Arrival**
2. **While You Are Here**

Until further notice, access to the Bar and Clubhouse will be limited to the following persons who:

- are not in self-isolation
- are not displaying any Covid-19 symptoms
- have not been out of the country in the last 14 days
- are in a maximum group size of six persons

1. Arrival

In line with HM Government regulations we will be operating as Table Service only from our Bridge Suite and Patio until further notice. You will not be able to queue at the Spike Bar.

To enjoy food and drink with us, you will need to be seated by a member of the Bar Team.

1. Please follow the signs in Reception to direct you to our new Meet & Greet Station where you will need to wait to be seated.
2. The Bar Team will then ask you to scan our Track & Trace QR Code, or you can provide us with a name and contact number.
3. You will then be temperature checked and shown to your seats.
4. Once seated, a member of the Bar Team will take your order. If moving from your table during your visit please ensure you are wearing your mask.

We are still operating a one-way system around our Clubhouse and Bridge Suite. Please be courteous to those around you and ensure social distancing laws are adhered to.

To comply with HM Government law, you must wear a mask while inside the Clubhouse.

Failure to comply with the above could result in not only personal fines for yourself, but up to £10,000 fines or risk of closure for the business.

The safety of our staff is vital to ensure we can continue to operate. Please ensure you follow the above instructions with each visit and listen to and respect any additional instructions given to you by the Bar Team.

2. While You Are Here

We have indoor and outdoor seating available. Weather permitting, you are also welcome to sit on our Wedding Lawn area – please remember only food and drink purchased at Stonebridge can be consumed on site.

You must adhere to the one-way system at all times. If you are sitting on the patio, please ensure you use the main entrance to re-enter the clubhouse.

Please use all glass-return drop areas provided once you have finished with your drink.

All glasses and cutlery will be cleaned in line with Government regulations.

Please use all bins provided once you have finished with your food.

- If sitting in our Bridge Suite, please exit via the fire exit doors (these will be clearly signed). Then make your way around the patio following signage at all times.
- If sitting on our patio, please ensure you follow all signage – the only permitted entrance to the clubhouse during this time is the main front door.
- Toilets are open as usual in our changing rooms.

These measures have been put in place to ensure we can all remain safe. Please familiarise yourself with them as it is vital that you help us to ensure these restrictions and procedures are followed. If you have any concerns or queries, please see a member of our Team, or contact us via email at sales@stonebridgegolf.co.uk or by calling on 01676 522442.

We will be continuously monitoring all restrictions and guidelines, and any further changes will be communicated by email and social media at the earliest opportunity.

We are pleased we can welcome you to Stonebridge during this time. But please remember, when you visit you must be cautious, courteous and abide by the guidelines in place to ensure we can all continue to play safe and stay safe.

We thank you for your co-operation, and look forward to welcoming you to Stonebridge again soon.
